Final Conference and Partners meeting, Berlin, 21 – 23 September 2016

EuroCure – Final Conference in Berlin, 22 September, 2016

The final conference of EuroCure project within the program Erasmus+ has been organised in the headquarters of European Commission in Berlin by Association for European Training - GEB Berlin.

Registration of partner teams from Germany, Hungary and Czechia, guests of honour and other visitors took place between 09 – 11 o'clock. Official introduction and welcome speech was held by Karel Stix, main coordinator of EuroCure project from České Budějovice, Czechia. Initial speaker - Bernhard Schnittger, vice director of the representation of the European Commission in Germany, gave a talk on the topic: Aims and work of the representatives of Germany in EU member countries.

Next speaker was Ulrich Söding, director of the Vivantes IBBG School for health care, Berlin. He discussed the topic of Demographic Changes and Health Care in Europe with the focus on vocational training. Gunther Ring from GEB Berlin presented the project idea and keynotes including situational analysis to attending participants. Maïke Caiulo-Prahm from Bildung und Sprachen in Europa made guests familiar with the language preparation of students and

teachers during the project. After her interesting performance Gunther Ring presented Coaching Program which follows-up the project outputs in the field of mobilities of students. Before lunch Karel Stix recapitulated development, obstacles, coming problems, outcomes and statistics of student and teachers' mobilities and he evaluated the contribution of

EuroCure project in the end. After lunch break the participants discussed reports of staff and learners from mobilities. Program of final conference was closed at 3 p.m. by well done presentation of T. Mecklenburg, the professional teacher of Vivantes which participated in teacher's mobility in Budapest.

Partners meeting, 23 September, GEB Berlin, 09 – 12 am.

Partner teams (GE, HU, CZ) met together at GEB seat to discuss the main tasks before project deadline. They specified responsibility of particular managers for each output, financial tasks, contributions to brochure publication and publication on project websites in term. Gunther Ring (GEB) is responsible for preparation and making Final Report for National Agency, Prague. All partners are obliged to meet the deadline.

Karel Štix, main coordinator of EuroCure project
